1. Faith - ful Sav - ior we are here, Met in prayer: be near us;
 2. In our midst, O Lord, be now; Tar - ry with us, Sav - ior;

Guide each thought and wish sin - cere By Thy will: O hear us!
 Be our on - ly Teach - er Thou, Hear our plead - ings ev - er;

Let Thy Word's bright rays di - vine In our in - most hearts now shine,
 By Thy Word which makes men new Re - cre - ate our hab - its too,

And with Thy light cheer us.
 Grant us all Thy fa - vor! A - - - - men.

3. Lord, we all would learn of Thee
 And of Thy true mildness;
 Like to Thee we all would be,
 Own Thy constant meekness,
 Show Thy calm activity,
 And Thy deep humility,
 And Thy lovingkindness!

4. In us lowly creatures too,
 Thy Word's power revealing,
 Show how it creates us new,
 Giving strength and healing!
 May, O Lord, Thy mighty Word
 Vict'ries new in us record,
 In us full health sealing!

5. Joy it is, O Lord, to be
 Thee by faith enfolding,
 Undismayed, O Rock, on Thee
 All our future building!
 Though we here on Thee believe,
 There we shall the joy receive,
 Thee to be beholding!
